Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	\$390 per individual or \$780 per family.	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. Routine physical exams, Chiropractic and Physical Therapy are covered before you meet your <a href="#">deductible</a> . <a href="#">Co-insurance</a> does not count toward the <a href="#">deductible</a> .	This <a href="#">plan</a> covers some services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply.
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	\$50 per individual for prescription drugs	You must pay all of the costs for prescriptions up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for prescriptions.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	\$3,250 per individual or \$6,500 per family for medical. \$1,000 per individual for prescription drugs.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> .
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Acupuncture, Chiropractic, Infertility treatment, amounts over benefit maximums, premiums, <a href="#">balance-billing</a> charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. See <a href="http://www.premera.com">www.premera.com</a> or call 1-800-810-2583 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No, not if the services are medically necessary.	As long as the specialist services you receive are medically necessary, then you do not need a referral.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
