

Planned Surgery Program

NEW HEALTH PLAN BENEFIT - STARTING OCTOBER 1, 2018

The Washington-Idaho Operating Engineers and Employers Health & Security Trust Fund health plan expands your options with the BridgeHealth surgery program at no additional cost to you. BridgeHealth saves you money and gives you access to top-rated hospitals, surgery centers, and doctors for planned, non-emergent procedures.

YOU PAY	\$0 No deductible, no coinsurance
TRAVEL BENEFITS	Airfare, lodging, and a meal allowance are paid for the patient and a companion if traveling over 100 miles one way to the provider

THE BEST *Care.*

We connect you with top-rated facilities and surgeons.

EASY-TO-UNDERSTAND *Benefits.*

We've simplified surgery benefits with pre-negotiated bundled rates—one set cost for your procedure.

A TRUSTED *Guide.*

We handle all the details from finding a top-rated provider to plan approvals and scheduling.

MOST COMMON COVERED PROCEDURES

To be covered, services must be determined medically necessary by the Trust, and are subject to all Trust health plan limitations and exclusions.

Bariatric

Gastric bypass, gastric sleeve, lap band removal

Cardiac

Coronary artery bypass graft, valve repair and replacement

General

Gall bladder removal, hernia repair

Orthopedic

ACL repair, hip and knee replacement, shoulder repair and replacement

Spine

Spinal fusion, artificial disc replacement

Women's Health

Hysterectomy

Emergency, vision, dental, and diagnostic procedures are not available through BridgeHealth.
